54725. "'Yoro.' A rather late-flowering variety producing rather small, light-red flowers and medium-sized fruits."

Prunus salicina (Amygdalaceae), 54756. **Japanese plum.** From Harbin, Manchuria. Seeds presented by Mr. B. W. Skvortzow.

"Cultivated by the Chinese." (Skvortzow.)

This is a strong-growing small tree, native to China but cultivated in Japan, with showy white flowers and rather pointed fruits which are usually yellow or light red. Because of its great hardiness, vigor, and
